

MRS. DIEWALD'S Newsletter

We have had a very busy week between Christmas projects, play practice and our regular school work. Next week will be just as busy as we wrap up our last week before Christmas break!

What will I learn next week.....

Religion: In Religion we will light the pink candle on our Advent wreath. We will continue Chapter 22, God Calls Us to Love and Serve. We will also be working on some family Christmas gifts.

Math: We will begin Chapter 6, Add Three Digit Numbers. This will be tricky as we remember to regroup and make sure we keep our place value. Remember to keep working on addition facts at home to make this process easier.

Reading/ English: We wrapped up our Theme test in Reading/English on Friday. During this time next week we will be working on making a 12 Days of Christmas book for our family and reading Christmas stories.

Social Studies/Science: We will work on projects for Christmas.

REMINDERS:

Griffin Center Gifts - due Monday December,
16th - unwrapped

VFW Poster Contest - if you would like to
participate the posters are due Wednesday,
