

# MRS. DIEWALD'S Newsletter

We have been very busy this week learning about schools around the world, quotation marks and we even completed our Science Fair project on M&M's. Next week is Catholic Schools Week so we will be super busy! Please read Mr. Kish's letter home for our daily activities and what to wear each day. It should be a fun week!

## What will I learn next week.....

**Religion:** We will continue Chapter 24 about prayer. We will also be very busy with service projects and Catholic Schools Week activities.

**Math:** We will continue our chapter on regrouping with subtraction. This can be tricky so we will be doing extra practice to make sure we understand the concept of borrowing.

**Reading:** We will read two stories, "Helen Keller" and "Talking Tools." As we read we will work on our comprehension skills. We will work on author's purpose and talk about biographies. In second grade we do a biography project. Be on the lookout for information about this to come home soon. There will also be new high frequency words to learn and we will discuss some new vocabulary words. Our Spelling words have the long o sounds with spellings o, oa and ow.

English: We will learn about proper nouns. We will talk about the difference between common and proper nouns and make sure we are putting capital letters on our proper nouns. We will also talk about opinion writing.

Social Studies/Science: We will use this time to do our Catholic Schools Week activities. We will be going to trivia, a volleyball game, having a treat from our teacher, making cards and so much more.

## REMINDERS:

Magazine Drive - our next turn in day is Tuesday, January 28<sup>th</sup> - Animal Keychains - for every order sent in you get 2 keychains

Valentine Bags - 2<sup>nd</sup> grade will be making 300 valentine bags for Griffin Center with the help of the school - 2<sup>nd</sup> grade students need to bring in candy

Have a great weekend!
