

## MRS. DIEWALD'S Newsletter

Catholic Schools Week is always a lot of fun for everyone! We enjoyed all the extra activities and dress down days. See what your child thought was the best activity.

### What will I learn next week.....

**Religion:** We will begin Chapter 25, Mary and the Saints. We will be learning about Mary and some new Saints. We will even talk about special prayers we can say to them.

**Math:** We will continue subtraction with three digit numbers. We will learn how to regroup in the tens. This can be tricky, but with lots of practice we will get it. Keep practicing those facts!

**Reading/English:** We will take a break from our reading book next week and focus on biographies. I will be sending home some information with lots of dates and details pertaining to a biography report your child will need to complete. We have already been reading some biographies during Daily Five and everyone is excited to play the part of a famous American. We will also be interviewing an 8<sup>th</sup> grader and writing a biography about their life from the information we receive. NO spelling words next week!

*Social Studies/Science:* We will use this time to focus on a salute to our flag program we will be doing at the nursing home. All of this information will be coming soon. Please practice with you child at home.

## REMINDERS:

Valentine Bags - 2<sup>nd</sup> grade will be making 300 valentine bags for Griffin Center with the help of the school - 2<sup>nd</sup> grade students need to bring in candy

Have a great weekend!
