

## MRS. DIEWALD'S Newsletter

We had a very busy week in second grade! We learned about the Seven Sacraments, read a new story about family, learned about matter and got to play on our new playground.

### What will I learn next week.....

**Religion:** We will begin Chapter 4, We Celebrate Baptism. We will talk about the Sacrament of Baptism and share stories from our own Baptism. I will be sending home a letter for parents to fill out with Baptism dates and Godparent names.

**Math:** We will wrap up Chapter 1 on addition and subtraction. We will take a Chapter test over the material we have learned. We will also be taking a test over addition and subtraction to see how accurate we are.

**Reading/English:** We will read a story called, "Dogs." While reading this story we will work on the skills: Author's Viewpoint and Compare/Contrast. We will also be reading an informational text called, "Helping Paws." Our Spelling words come from this story and practice the long vowel sounds *a* and *i*. Test on Friday.

In English we will work on narrative writing. We will be adding more details to our sentences to help us add more description in our writing. We will also start to talk about types of sentences. We will be learning about statements and questions.

*Social Studies/Science:* In Science we will continue to learn about matter. We will learn how matter can be changed. We will be learning new words like mixture, evaporate and more.

## REMINDERS:

Early Release - Friday, September 20<sup>th</sup>

Grandparent's Day - Thursday, September 26<sup>th</sup>

Have a great weekend!
