

# MRS. DIEWALD'S Newsletter

We have had another fun and busy week in second grade! We read our first story in our Reading books, took our first spelling test, learned about the United States in Social Studies and ended with field day. We are in a routine and looking forward to a great rest of the year!

## What will I learn next week.....

**Religion:** We will continue Chapter 2, "Jesus Christ Gives us the Church." We will continue to talk about how we can be followers of Jesus at school and at home.

**Math:** We will start learning about subtraction strategies to help us find the difference between numbers. Remember to keep practicing those facts at home. The more practice the better you will be!

**Reading/English:** We will not have a story or spelling words next week since it will be a short week. We will learn about the writing process as we create our very own Arthur story. Be on the lookout for our story on Seesaw!

**Social Studies/Science:** We will continue to talk about maps in Social Studies. We will talk about where we live on the map.
