

MRS. DIEWALD'S Newsletter

We have been very busy reading biographies and learning about famous people. Our biography report information sheet came home this week so start looking for information about your famous person so you are prepared. We also wrote a biography of an eighth grader, continued our chapter on subtraction and much more.

What will I learn next week.....

Religion: We will begin Chapter 26, We Show Love and Respect. We will be talking about God's love for us and how he would like us to treat one another.

Math: We will be wrapping up our chapter on subtraction. We have worked very hard on regrouping and checking over our work. Our next chapter is all about money! It is important to practice this at home. We will learn about each coin and how to add them.

Reading: We will read two stories, "Officer Buckle and Gloria" and "Safety at Home." As we read we will work on our comprehension skills. We will also work on cause and effect. There will be new high frequency words to learn and we will discuss some new vocabulary words. Our Spelling words are compound words and the test will be on Friday.

English: We will learn about abbreviations. We will learn how to abbreviate words and how to read words that have been abbreviated. We will also talk about opinion writing.

Social Studies/Science: We will talk about community workers. We will each pick a worker to research and present our findings to our classmates.

REMINDERS:

Friday, February 14th - biography posters
sent home

Wednesday, February 19th - biography
parade- come to school dressed up

Friday, February 21st - poster due

Have a great weekend!
