

MRS. DIEWALD'S Newsletter

We had a very short week, but with lots of focus we were able to catch up on our work and fit in everything we needed to do. We read a story about storms, talked about Thanksgiving during Social Studies and even learned about Verbs.

What will I learn next week.....

Religion: We will begin Chapter 12, We Celebrate the Sacrament of Forgiveness. This is our last week to prepare for our First Reconciliation, which will be on Sunday, November 24th at 3. We will review what we need to know and Fr. Carl will even come visit our class to help ease those jitters. Make sure you know your prayer and your candles are decorated!

Math: We will continue our chapter on double digit subtraction. This is a new concept in second grade and it takes lots of practice to understand and remember how to complete these problems. Keep working on your facts to help make this process easier.

Reading: We will read two stories, "How Chipmunk Got His Stripes" and "Why Rabbits Have Short Tails." As we read we will work on our comprehension skills and understanding characters. There will also be new high frequency words to learn and we will discuss some new vocabulary words. Our Spelling words are base words and endings with -ed and -ing. Test will be on Friday.

English: We will learn about Verbs in the present. We will play games, find verbs in our stories and much more to help us learn about these words.

Social Studies/Science: We will continue our Thanksgiving Unit. We will talk about the adventures long ago and how the first Thanksgiving came to be. We will work on some activities that will help us to see firsthand the hardships they endured.

REMINDERS:
