

# MRS. DIEWALD'S Newsletter

We had a wonderful week! It was short, but we still learned a lot. We took our Theme test over material we have learned in Reading, started regrouping in Math, talked about animals and much more.

## What will I learn next week.....

**Religion:** We will wrap up Chapter 8 and begin Chapter 9 next week. In Chapter 9 we will start learning about the Ten Commandments. This will help us to prepare for First Reconciliation. We will reflect on the Commandments that we do not follow very well in our own lives. Please continue to practice your prayer so you are prepared for First Reconciliation.

**Math:** We will continue Chapter 3 and regrouping. We are catching on, but practice makes perfect. Keep practicing your facts at home.

**Reading/English:** We will focus on some Halloween writing. We will talk about our five senses. We will then write a five senses story to share on Halloween. There will not be a spelling list next week.

**Social Studies/Science:** In Science, we will continue to learn about animals and plants. We will be wrapping up our Chapter on this and reviewing all that we have learned.
